Paula I called several colonia residents this afternoon. I was getting the same response from almost everyone. The attachment I am including has the names, colonia, phone numbers, damage uncured and needs. We were very lucky we didn't have rain along with the winds.

We will see more people at our food program this coming Tuesday. If you need more information on residents we can ask them there. Wish we had had more time to talk to more people.

Respectfully,  
Juanita
